Dear Friends of Second Church,

It's been so wonderful to see so many folks now that summer is over (gosh—can you believe that Labor Day was a month ago?! It seems like just yesterday and forever at the same time).

Everyone has said how great it has been to catch up with one another and get back into the rhythm of the 2CC year.

If you haven't made it back just yet, please know that we'd still love to see you!

If you feel as if you've gotten out of the groove and/or that it's hard to juggle with all of the other things going on, there is no shame in taking it slowly and planning an in-person visit once a month or a more regular commitment to watching on-line — what matters is working to stay faithful to that practice, whatever form it may take.

And if things are so busy that you're struggling to fit in *any* time for connecting with God and letting yourself feel human, please reach out to set up a quick phone call. That sounds like you might well be standing in the need of prayer.

See you in church,

Max

Maria Turkel is an entrepreneur, wardrobe stylist and costumer from the set of FRIENDS.

In 2007, she founded Maria Turkel Wardrobe Styling which has served clients from Fortune 500 companies to start-up CEOs to local philanthropists and stay-at-home parents to teens who are just starting to define their personal style.

With a background in fashion design and costume design, Maria built a successful career in the film and television industry in Los Angeles. She is one of the original Wardrobe Supervisors on the hit television series, FRIENDS; and dressed Jennifer Aniston, Courteney Cox, Lisa Kudrow, Matt LeBlanc, Matthew Perry, and David Schwimmer as well as all guest stars on a weekly basis for that iconic show.

She believes "When You Look Good, You Feel Good; When You Feel Good, You Do Good" and currently works with approximately 35 private clients per year, one-on-one, with the goal of helping each feel confident and authentic in their everyday life through Closet Edits, Personal Shopping and Outfit Building. No closet or price point is too big or too small. She has a vibrant email newsletter subscriber base and an engaged social media community.

Maria lives in Greenwich, CT with her husband and three children. When not performing closet therapy, she can be found reading a great book, cooking Italian food or volunteering in support of local women entrepreneurs.
