

Worship with us on Sunday at 8:30 & 10:30 a.m.

April 15, 2026

Dear Friends of Second Congregational Church,

I hope you'll stay after Worship this week for the second lecture in our series marking 250 years since independence!

Our speaker, Dr. Kyle Roberts from the Congregational Library and Archives in Boston, will speak about Congregational churches and Congregationalism during the American Revolution — which turns out to be a fascinating and complex story, and one far more nuanced than the easy identification of Congregationalists as full-throated supporters of the Patriot cause.

Kyle is a dynamic presenter and scholar of the history of American religion, with a particular expertise in the 18th century Atlantic world, the digital humanities, and early evangelicalism.

Women's Fellowship will be offering lunch — but again, please do RSVP so we know to have a sandwich for you!

Members of the community are very welcome, so bring a friend.

See you in church!

If you can't make it in person, join us via [Livestream for our 10:30 a.m.](#) Sunday service.

Sermons are always available online: [2CCSermons](#)
